# The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)

#### 2.14 Significant Activities and contributions made by IQAC

Plans of action from the perspective of Quality assurance are prepared after serious deliberations and all the stakeholders motivated to go all out to achieve the targets set therein. The IQAC hold regular meetings with all the stake holders as well as the meetings of the entire IQAC. As for outcomes, the college IQAC has given excellent results as the college has achieved through the years almost hundred percent of what the IQAC set out to do at the beginning of the year. This is evident in the Plan of action proposed by the IQAC and its implementation.

#### 2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year as given below:

## Plan of Action (as per suggestions in IQAC Meeting):

- I. A stronger push should be given to sports activities in the college so as to ensure a good showing of the college in different sports competitions at the university, state and national level and even beyond.
- II. A request should be made to be university to increase the number of seats in the BA Course from the present 200 to 320 in order to cater to the growing demand of the students for admission to the above course as well as for strengthening the Arts Faculty.
- III. Arrangements should be made for providing exclusive classrooms for the BTTM Course students on the top floor of the BBA Block.
- IV. Arrangements should be made for providing more parking space for the teaching staff.
- V. The IQAC be requested to put its stamps of approval on adding the name of Mahatma Anand Swami to the existing name of the college by way of honouring the memory of the great and revered Arya Samajist and social reformer. The name change has already been approved by the whole teaching and non-teaching faculty of the college.
- VI. An effective strategy should be prepared for ensuring merit positions in the BA Course on the lines of the other courses being run in the college.
- VII. Effective steps should be taken for establishing college-industry linkages for the benefit of the students.
- VIII. More focus should be brought to bear on skill development of the students with a view to equipping them for better job opportunities.
  - IX. All out effects should be made to provide effecting coaching to the students in the college itself to enable them to do well in different competitive exams.
  - X. With a view to promoting the physical, mental and spiritual health of the students and the staff, earnest efforts should be made to start Yoga Classes in the college.

#### **Achievements:**

- i. As a result of the concerted efforts made by the college, the college sportspersons bagged as many as 10 M. D. University Inter-College Championships, in Volleyball (Men), Cricket, Wushu (Men), Wushu (Women), Taekwondo, Badminton (Women), Yoga (Men), Archery (Men) Indian Round & Archery (Men)-Recurve Round respectively. As a result of the spectacular showing of the college in different sports events, for the first time in its history the college won the overall General Second Runner-up Trophy of the University.
- ii. As per the suggestion of the IQAC for making efforts for increasing seats in the BA Course from the present 202 to 320, the matter was duly taken up with the university and the colleges is happy to place on record that the number of seats in the above course have been increased from 200 to 320 w.e.f. the current academic session.
- iii. As for providing exclusive class rooms for BTTM students, the college is happy to announce that separate class rooms have been provided for these students on the top floor of the BBA block and an office for the BTTM Faculty has been provided for on the first floor of the same block.
- iv. Pursuant upon the IQAC suggestions, more parking space has been created for the teaching staff adjacent to the boundary wall of the college on the PNB Branch side.
- v. In this meeting the IQAC approves the addition of the name of Mahatma Anand Swami to the existing name of the college by way of honouring the memory of the great and revered Arya Samajist and social reformer. As stated in the opening meeting of the IQAC for the year, the name change has already been approved in writing by the whole teaching and non teaching Faculty of the college.
- vi. In keeping with the IQAC suggestion, during the year the Arts Faculty zeroed in on meritorious students with a potential to beg University merit positions, provided them extra coaching and organized special classes for them. The process is still on and we are confident of getting results thereof in the near future.
- vii. As for establishing college industry linkages for the benefit of students, the BBA Department has already organized a highly successful Industrial fair in the college in which a good number of companies and businesses participated. Another noteworthy effort in this direction has been organization of a panel discussion on start ups in which a number of top industrialists and those with remarkable start-up success stories were the panelists. And the students were duly educated about how to go about start-ups and the type of help they could get from the industry, the government and the banks.
- viii. As for skill development, a workshop on Digital Marketing was organized by the Computer Department for the benefit of the BCA students during the year and it was decided by the college that such workshops should be organized for the students of the other departments as well.
- ix. As for providing coaching to the students of the college for competitive exams, coaching classes for our students were conducted by Bharat Academy, Delhi, throughout the year with a view to preparing them well for such exams. Another notable in initiative in this regard was taken by the PG Commerce Department which arrange for expert coaching for 25 UGC NET aspirants in the college. And we are happy to place on record that three of those thus coached were able to clear the said examination.
- x. With a view to promoting the physical, mental and spiritual health of the students and the staff, yoga classes were started and help throughout the year and a yoga teacher appointed by the college for the purpose. As one of the benefits of that exercise, Yoga team won the university Yoga Championship last year.

#### **Best Practices**

**(A)** 

#### • Title of the Practice

Need based Courses at UG and PG levels.

#### Goal

The college keeps a tab on the needs of the industry and the preferences of the rapidly changing society. Consequent to that the college remains vigilant about the availability of new courses in the affiliating University, i.e., MDU, Rohtak, and introduces such courses in the college to meet the needs of the industry and offer a whole range of courses for the students and their parents to choose from.

#### • The Context

In the context of meeting the diverse needs, trends and demands of the society and for maintaining the best possible standards, the college has been selecting and introducing new courses from time to time. It follows the curriculum specified by MDU, Rohtak, as well as keeps suggesting to the university the much needed changes in the curriculum. Through this vision and wisdom, the college has remained in the forefront and has been able to build a preferred brand image for itself.

## The practice

The courses offered by the college include traditional as well as professional courses at U.G and P.G level. The college has also introduced some job-oriented and skill-oriented courses including some diploma courses. A complete list of such courses is given below.

Traditional Grant- in-Aid U.G. Courses

- 1. B.Com. (Pass)
- 2. B.A. (Pass)

2013-14	102
2014-15	124
2015-16	207
2016-17	92

## **Problems Encountered and Resources Required**

#### (I) Problems Encountered

- One constraint is that the college is under obligation to follow the curriculum approved by the affiliating university without there being any element of discretion.
- The college, in order to meet the institutional social responsibility, has to keep the fee charged for self finance courses under check. Consequently it has to check the expenses as well.

## (II) Resources Required

- Additional building with more rooms and labs required for introducing new skill-oriented courses
- More funding from the UGC
- Reasonable hike in fee in concurrence with the university as per the need of the hour.

#### **(B)**

#### • Title of the Practice

All-out efforts for the holistic development of students

#### Goal

The college strongly believes in the all round development of its students. So, along with the curriculum, there are a large number of areas where students are encouraged and trained to help them develop a fuller personality. The college provides them opportunities to get exposure at state, national, international and at various other levels in order to realize their potential.

#### • The Context

Class room education alone falls short of being adequate when it comes to the all round development of an individual. The industry and the society expect students passing out of college to be knowledgeable, skilled as well as socially responsible citizens. They should have the ability as well as the confidence to shoulder diverse responsibilities in society. It requires a lot of extra effort to produce such multi-talented and multi-dimensional individuals. The college goes all out to create and offer platforms and opportunities for its students geared towards this end.

#### • The Practice

The college takes up many activities aimed at the holistic development of our students. The major areas are as given below.

# **Extra Mural Activities (EMA) and Sports EMA**

The EMA Cell scouts around for and trains talented students for various types of cultural activities. For this purpose it provides competitive platforms at various levels. Our EMA students have earned name and fame at zonal, inter-zonal, university, state, national as well as international level. The college sends its students to other competitions also where they have repeatedly proved their mettle. The College EMA Team has been winning the Zonal Overall Trophy for the 09<sup>th</sup> consecutive year. Also the college EMA Team has won the Iner-Zonal Overall Trophy this year which they had won many times previously too. Also twelve students won cash prizes worth Rs. 50,000/- each.

#### **Sports**

A number of sports activities are organized in the college. Students are selected and teams are formed. The college sports teams participate in various sports events and follow the university sports calendar. They also compete in other competitions outside the ambit of the university.

## National Cadet Corps (NCC) (Separate Units for Boys and Girls)

The college runs separate NCC Units in the college for boys and girls. The college NCC cadets take part in a number of important activities and camps. Our cadets have brought laurels to the college in various competitions held across the country. Earlier, our NCC cadets have also got exposure at the international level, thanks to the fine guidance of the college NCC Program Officers as well as their own dedication and hard work.

#### **Legal Literacy Cell**

This Cell trains selected students and sends them to take part in competitions outside the college related to Debates, Speeches, Symposia, Group Discussions and Fine Arts etc. The students trained by the Cell have won many a prize for the college in district, division and state level competitions over the years.

The Legal Literacy Cell very actively participated in the Legal Literacy events organized at the District, Inter District, Division and State Level and our students won a string of prizes therein.

#### Research

- As a result of encouragement from IQAC faulty members are trying for obtaining Ph.D
  Degree. While eleven others are already pursuing from previous years, one more has registered for
  the Doctoral Degree in this year.
- As many as two different publications have been brought out by the college in different departments, one at international and the other at national level.

#### **Others**

- In coordination with the NGO, The Roshni Educational Society, the college is continuously
  putting efforts to teach 60 odd underprivileged children up to Class V on the college campus.
  Some of those children have been admitted to a regular CBSE affiliated school for further regular
  education.
- Lots of spiritual activities are undertaken like daily Havan Yajnas, weekly discourses on the Gita, periodic courses on the Art of Living at the behest of the Art of Living Foundation, Gurbani Kirtan sessions etc. and are organized on the campus for the spiritual evolution of the students and the faculty.
