Enfolding Spirituality

With the grace of Padam Shri, Dr. Punam Suri Ji DAVCC, Fbd. has again made a commendable performance in the field of Yoga by making an eminent mark at international level. I am feeling honored to share this prestigious information with all and sundry that along with academics we have benchmarked in all round activities in our college. Yoga is a spiritual as well as a physical and mental activity and our students have made their marvellous presence by grabbing many Awards and making the glory of DAVians sweeter than ever. They have created a new sphere with their dedicated team-spirit and devotional attitude towards their journey to success.
