- **Rigorous Peer Review**
- **Prompt Publishing**
- **Comprehensive Global Exposure**
- **Accessibility to a multi-disciplinary audience**

The editorial board reviews each manuscript to ensure that only high-quality original papers, case reports and book reviews are published.

Guidelines for Authors

It is a condition for publication that the material sent is original work which has not been previously published or submitted for publication elsewhere. Authors are requested to submit their work according to the instructions given below:

Your paper should include four major sections: The Title Page, Abstract, Main Body and References.

Title Page: The title page should contain the title of the paper, the author's name, and the institutional affiliation. Author/s' name should not appear on any other page except the title page.

Abstract: Submit an abstract of about 200- 300 words. The abstract should include the research topic, methodology, findings and keywords (maximum - 5).

Manuscripts: should normally be of 2500 - 3000 words (A-4 size pages, double spaced and 12 pt. Times New Roman font). Each manuscript submitted would be double blind reviewed. Based on the suggestions given by the reviewers, it will be decided whether the manuscript should be accepted, sent for revision or rejected.

Tables and Figures: The tables and figures should be placed in the appropriate location in the paper. Format and size of all the tables should be same and should be numbered consecutively in Arabic numerals.

References: References should be complete in all respects in APA style.

Book review should not exceed 800 words.

Authors should submit articles in word format by e-mail to amrij@davccfbd.com
