I got placed in ICICI during my final year of BCA. DAV Centenary College helped me in guiding where and when the company is couching its campus drive. Teachers of our BCA department were helpful and guided us for the placement. I am very thankful to the Co-ordinator, Dr. Suniti Ahuja mam for ensuring MNC's visit in our campus. I would also like to thank Ajali mam and Urvashi mam for facilitating us with several relevant workshops. I'm really grateful to the college, as it gave me many chance to get placed and also helped me to gain experience. I am indebted to all my teachers for showing the right direction

It's my immense pleasure to thank the teachers of our placement cell for helping me out to get placed in one of the leading companies. I express my gratitude to Dr. Satish Ahuja, our Principal Sir for providing us such an opportunity. I also, thank Dr. Suniti Ahuja and Ms. Urvashi Sapra for their extreme efforts, guidance and suggestions which really helped me a lot.

college has given a chance to sharpen my skills in my field of choice.

I learnt a lot, and it helped me to grow in personal and professional life. Today, I am at this level because of the confidence shown by college staff towards by career growth. Moreover, I realized I still had a lot to learn. Now, I am working as senior consultant and traveled 2 countries and always remembered by college time which helped me to learn more and more in my skill set. I am really thankful to my teacher who guide me and support me in every situation. Even, I still call them and ask for their suggestion.

Special thanks to Faculty members.

I joined

DAV Centenary College, Faridabad in the year 2012 and graduated in 2015. College is all about building career, friendships, experiences, connection, relationships and most importantly building your future. I am presently working with Google Apps and whatever I am today is only due to the efforts of my teachers. I pay thanks to college apart from my family. I still remember our induction programme and our worthy Principal Dr. Satish Ahuja Sir said to all the students :Don't set anything come in between you and your dreams because nothing is worth giving on your testing"

Thanks a lot

The journey started in 2015 and continued till date. It all happened due to curriculum guidance provided by DAV Centenary College, Faridabad. It is my privilege that college provide me an ocean of opportunities. I was placed in Infosys through campus drive in college. Now I'm in Yamaha Motor Solution India Pvt. Ltd. as CRM Consultant after years of elite experience when I look back, I feel that it wouldn't have been possible without sheer guidance of our respected principal sir, Dr. Dr. Satish Ahuja and our placement co-ordinator, Dr. Suniti Ahuja. It has been immense pleasure to continue higher education in a college like this. It is true platform for recognizing and utilizing great talents. I am sure future batches would get tremendous exposure through this college.

It is my immense pleasure to share my experience about DAV Centenary College. To start with being a BCA student college has given me a great exposure in IT Technologies & culture by conducting various workshops on latest trends of IT sector. Our visit to Wipro campus was actually a time where I started dreaming to be part of such a big company. Now, when I am actually a part of Wipro all I can say is that it is like dream coming true. It happened only because of the guidance and support of our teachers, co-ordinator & placement incharge and also our principal sir. I specially want to thank our co-ordinator and placement incharge Dr. Suniti Ahuja mam, because of her efforts Wipro come to our campus and I got selected. I am really thankful to all my teachers and principal sir. Thank you for their guidance and support.

I am thankful to my college and faculty who provided me with an excellent academic, support and guidance right from informing us about placement drives to preparing us for interviews through various sessions and workshops, everything was well managed and streamlined. It was a beautiful journey of 3 years in computer department. I am feeling proud to be the part of DAV which provided me with an opportunity and I am thankful to my teachers, Principal sir, Dr. Satish Ahuja & finally to the placement department who made me able to have a position in my professional life. Thank you all
