1. EXECUTIVE SUMMARY

1.1 INTRODUCTION

D.A.V. Centenary College, Faridabad, was established in 1985 under the auspices of the D.A.V. College Managing Committee, New Delhi, the renowned international charitable educational organization, to **mark the 100th year** of the phenomenal service rendered by it in the field of education. **Into the fourth decade of its existence**, the college can proudly look back at the string of impressive achievements it has to its credit. The DAV philosophy is based on the lives of **noble souls** such as **Swami Dayanand Saraswati, Mahatma Hansraj, Mahatma Anand Swami**, and other virtuous pioneers who provided a vision and mission and left behind footsteps to follow on the path of wisdom and glory. The President, DAVCMC, New Delhi, Arya Rattan Padma Shri Dr. Punam Suri, our mentor, philosopher, guide, and an eminent educationist endowed with a powerful vision, now carries forward this noble work.

DAV Centenary College, Faridabad **affiliated** with Maharshi Dayanand University, Rohtak Haryana was accredited with **'A' grade (CGPA of 3.11 score)** in **NAAC, Cycle II (2015)** and with **'B' grade in NAAC Cycle I (2003)**. The college also participates in the **NIRF**.

The college has an excellent infrastructure over a built-up **area of 5675 sq. mt.** which is our pride. Apart from impressive and well-maintained buildings with smart rooms, computer labs, an e-library, and a spacious sound-proof auditorium with a flawless sound system, for a plethora of activities and programs. The whole campus is **Wi-Fi enabled with a bandwidth of 50 MBPS**.

The college has a highly qualified, competent, and dedicated faculty as its backbone. The college has a **research room and research committee** to promote research work. Our teachers have published many books, and research papers in reputed journals. The college publishes two **multi-disciplinary peer-reviewed journals**, two magazines, two **edited books** and two **conference proceedings**.

The college provides **sports facilities, a gymnasium, Yoga and Meditation room**, for Physical and Mental wellness. **Spiritual and mental well-being** is promoted through organizing **extension lectures, seminars, workshops, and monthly Hawan Yajna**. In our Institutional Development Plan, the college aims to introduce a wider range of courses and enhance our research and innovation capabilities.

Vision

D.A.V. Centenary College, Faridabad visualizes itself as a platform for holistic excellence that aims at producing citizens not only with a high level of material skills but also with invaluable life skills and a strong moral and social grounding so that they can succeed in today's world as well as acquit themselves well as well-adjusted, aware and responsible human beings.

Mission

Our mission is to provide quality higher education to a wide spectrum of society so as to produce knowledgeable, skilled, and ethically and spiritually sound citizens who can bear the challenging

responsibilities of the emerging job market and the professional environment as well as those of the society at large.

1.2 Strength, Weakness, Opportunity and Challenges(SWOC)

Institutional Strength

- The college, drawing inspiration from the DAV education movement of the 1860s, has been at the forefront of educational innovation. Its mission is to offer inclusive and high-quality education to a wide demographic, with the ultimate goal of positioning India as a global hub for knowledge, culture, research, and innovation.
- The College has offered **14 programs** with a wide spectrum of courses across disciplines of **Science, Humanities, Commerce, Computers, Management, Tourism, and Journalism** all approved by MDU, Rohtak. **B Voc in Retail Management** program has been introduced in college in **2021-22**. The college offers **numerous add-on courses and Value added courses**
- The College has an **adequate infrastructure and other facilities for, teaching-learning, viz., classrooms, laboratories, computing equipment, etc.** ICT-enabled facilities such as **smart class, E-library, Wi-Fi-enabled campus, etc.** The **Central library of the college has a large collection of books, e-books, and e-journals and it is automated.**
- The College has a **well-qualified and dedicated faculty**, who impart academic teachings to the students. The college has a dedicated **research room and research committee** to encourage students and faculty to **develop their research and innovation ecosystem.**
- The college has **sports facilities** which includes a **shooting range, archery training area, a modern gymnasium, a yoga room, a meditation room, and a playground** in the college campus that helps the students and staff **to maintain their physical fitness and mental fitness.**
- The **NCC, NSS, Youth Red Cross, and other cells and committees** of the college are active and carry out several programs throughout the year. The **College campus is green and spacious and is free from plastic.**

Institutional Weakness

- The college **urgently requires to recruit regular teachers both in Grant-in Aid against sanction post and Self-Finace Scheme.**
- There is a **shortage of study resources in regional languages** which limits the academic pursuits of its multi-lingual students.
- The college is under **obligation to follow the curriculum approved by the parent university.**
- **More digital, and modern classrooms are required** in the college.
- The institution's **growth suffered significantly due to the COVID pandemic and the institute is unable to regain the previous state of growth till date.**

Institutional Opportunity

- The College imbibes a **strong work culture and generates deep social values.**
- **Add-on programs, certificate programs, and MOOCs** will provide greater diversity in learning for the staff and students. It will be a **great opportunity to offer certificate/diploma courses with the**

collaboration of other institutions. These multidisciplinary and trans-disciplinary courses will **add value to the curriculum.**

- The **Placement Cell** along with some departments also provides training for competitive examinations to the students and helps students to get through job interviews in different organizations.
- The College places **special emphasis on women's empowerment and the Women Cell** of the college **provides opportunities to conduct various lectures and seminars on gender-related issues.**
- **Twenty-six MoUs** have been signed with national and local organizations to promote research and entrepreneurship skills, etc.
- The college and different departments allow the **use of platforms for online classes, sharing notes, notices, and other information via Google Classroom, Facebook, YouTube, Zoom, etc.**
- **Online fee Payment** options are offered through various mediums **such as cards, and UPI,** streamlining the fee collection process for students and administration.
- **Solar panels, solar lighting, and composed machine,** etc. facilities contribute to more sustainable and eco-friendly waste management practices, reducing reliance on non-renewable resources, minimizing environmental pollution, and fostering a circular economy approach to waste management.

Institutional Challenge

- To **implement the vision of NEP 2020** infrastructural facilities in the campus need to be upgraded to initiate new courses and multidisciplinary programs.
- **Traditional modes of syllabus and curriculum** have posed a serious threat to the student community as they are not able to get jobs in the competitive market due to the increasing demand for technical and skill-based education.
- **Financial hardships** of the students also account for a high dropout rate.
- The college has a **shortage of space for the upliftment of infrastructure and academic facilities.**

Institutional preparedness for NEP

1. Multidisciplinary/interdisciplinary:	<p>DAV Centenary College, Faridabad, an aided college affiliated with Maharshi Dayanand University, Rohtak follows the guidelines and recommendations of its parent university related to multi-disciplinary and inter-disciplinary programs. The college is presently offering 11 UG and 3 PG programs under various departments that include Arts, Commerce, Science, Management, and Computers so that students are able to choose from a wide range of courses available. The college tries to integrate the efforts towards having an interdisciplinary approach while designing and planning co-curricular and extra-curricular activities. The students get a wider exposure through extension lectures, conferences, seminars, workshops, and special talks which are organized by the departments/cells/committees in both offline and online mode. Such activities enhance the students' overall understanding and enrich their learning. The institution organizes International and National conferences and seminars time to time which are approved and sponsored by apex academic bodies like UGC, ICSSR, DGHE, etc. in areas involving multidisciplinary issues. In the same tune, our faculties are also planning to apply for research projects in multidisciplinary areas so that the outcomes of all these endeavors may provide solutions to society's most pressing issues and challenges that could be addressed effectively. The college also offers flexible and innovative curricula that include credit-based courses like M.Sc. Computer Science, M. Com, and M.A. English at PG level and two UG levels i.e. B.A. Sanskrit and B. Voc. Retail Management. Moreover, the college provides opportunities to the students as well as faculty to enroll in various courses run by SWAYAM/NPTEL, etc. for their professional growth. As the institution operates under the affiliation of Maharshi Dayanand University, Rohtak, we work as per the norms and guidelines of the affiliating University. So far we have not received any official mandate from the affiliating university that enables multiple entries and exits at the end of 1st, 2nd, and 3rd years of undergraduate programs.</p>
2. Academic bank of credits (ABC):	<p>Academic bank of credit provisions recommended in the draft of the NEP 2020 for earning, transferring, and accumulation of credits of the academic programs. It offers the flexibility to redeem the</p>

	<p>requisite credit for the award of an appropriate Certificate/ Diploma/ Degree, which provides students with an opportunity for prolonged learning as per their circumstances. It will help them to avail academic outreach beyond the superstructure of the program of study in another University/ Institution at the national/international level depending upon the student's choice. This is a novel concept for earning and depositing credit through national programs such as SWAYAM, NPTEL, and MOOCs. The ABC also ensures the opening, closing, and validation of Academic Bank Accounts and Credit Verification, Credit Accumulation, and Credit Transfer or Redemption for students. The college needs to register in the ABC to enable credit mobility. Under the prescribed CBCS curriculum being taught currently in the college at PG Level courses and two UG level courses, there are credits assigned to papers that are not transferable. But with the upcoming implementation of NEP 2020 in the coming sessions, students will create a bank of credit which will be transferable in both interdisciplinary and multidisciplinary. Students will also have multiple entry-exit options as per their requirements. Though efforts have already been initiated at the university level pre-requisite and preliminary education and awareness has also begun to be imparted at the institution's level to create an ABC ID and Digi locker account for students to reap the benefits of NEP 2020. As per the guidelines issued by the MD University, Rohtak, DAV Centenary College has started creating a Digi Locker facility for all the students in the roles. The Vice-Chancellor has requested all principals of affiliated colleges to consider making ABC ID, Aadhaar ID, and Mobile Number mandatory for students during the online admission process from the session 2023-24. As per the directions given by the parent university, the college has started to create an ABC ID for first-year students in the session 2023-24 and will implement the same for second and third-year students as soon as the University makes it.</p>
3. Skill development:	<p>The college continuously offers opportunities to students to develop their skills in tandem with the changing needs. It provides value-based education as a key aspect of the learning process which is executed through running various add-on/value-</p>

	<p>added/certificate courses on regular basis. These courses not only caters to the requirement of transforming the college into a holistic multidisciplinary institution but also is in accord with NEP 2020. Such value-added courses align the curriculum with concerned industries to make students job-ready by the time they graduate. This enhances their preparedness for the world outside the college. It also focuses on capacity building with the purpose of employment generation, through active engagement with industry and society. It strives to enhance the prospects for underprivileged and differently-abled students. The students' skills are further augmented by frequent interactions with alumni and industry experts. A good number of students have also secured placements through the on/off campus drives conducted in the college premises. The college organizes various seminars, workshops, and training programs focused on key principles such as diverse curriculum and teaching methods, modern technology adoption, creativity promotion, critical thinking encouragement, logical decision-making, and innovation. Initiatives by the Entrepreneurship Development Program (EDP) Cell, Institution's Innovation Council (IIC), and Placement Cell, in collaboration with departments, clubs, and committees, aim to enhance skills among students and faculty through regular initiatives. Moreover, the college NCC/YRC/NSS/Environment club/Women Cell/EMA, etc. conducts various events/programs in the areas of community engagement and service, environmental education, and value-based education towards the attainment of multiple skills through awareness drive, rallies, camps, extension lectures, outreach programs, competitions, cultural activities.</p>
<p>4. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course):</p>	<p>DAV Centenary College promotes the study of Indian languages such as Hindi and Sanskrit as well as organizes various events in regional languages like Haryanvi, Urdu, Punjabi, etc. Embracing the teachings of Mahatma Hansraj and the DAV philosophy, the college has established the Arya Samaj Unit and formed a spiritual club to spread awareness about the Indian knowledge system through organizing Hawan Yajna, lecture series, Bhajan Sandhya, Sabad, Kirtan, etc. on regular basis. The departments organize various cultural activities including celebration of Indian festivals national and</p>

	<p>international days of importance, competitions, etc. to inculcate Indian values and knowledge among the students and staff. Being a college founded on the principles of Arya Samaj, our college regularly performs Havan Yajna to mark various occasions almost every month and students join freely without any imposition whatsoever. For proper spiritual attainment or at least to understand the inner self and serenity of mind we have a meditation room where our students and faculty also indulge in Yoga performances, and Pranayam and for this we have collaborated with the renowned, 'Art of Living' campaign. The college celebrates International Yoga Day every year and it hosts yoga camps and encourages spiritual development among students and faculty, emphasizing health and wellness. Daily yoga sessions are integrated into the college routine. These efforts align with the implementation goals of NEP-2020. The college adheres to the language of instruction prescribed by our affiliating university, which includes both English and Hindi as applicable. While most professional courses are delivered in English, others are taught in Hindi or a combination of both based on students' preferences. Despite the absence of online courses, the college embraces modern and effective practices by utilizing online platforms such as YouTube, WhatsApp groups, and email to facilitate teaching and support for students. The students of our institution come from diverse backgrounds. So, teachers need to provide classroom delivery in bilingual mode. Though several subjects can be read in the English language only to make the explanations simpler the Vernacular language is usually adopted by the teachers.</p>
<p>5. Focus on Outcome based education (OBE):</p>	<p>As an aided college of MDU, Rohtak, our college adheres to the designated curriculum, which is structured under the Outcome-Based Education (OBE) system. This curriculum is crafted to meet both regional and global educational standards. The learning outcomes of each subject are integrated into the syllabi, guiding the planning of teaching methods, learning activities, and assessments. Program Outcomes (POs) for both undergraduate and postgraduate programs are available on the college website, along with Common POs for all Undergraduate Programs and Common POs for all Postgraduate Programs. Program Specific Outcomes</p>

	<p>(PSOs) are tailored for each program and are also accessible on the college website. Additionally, Course Outcomes (COs) for individual courses within each program are communicated to teachers and students through various channels such as the college website, syllabus prospectus, induction programs, and ongoing guidance by mentors and class teachers. Faculty members monitor the course syllabi's progress and ensure that curriculum delivery aligns with the intended objectives. To ensure successful outcomes, the college maintains an updated website with notifications and relevant circulars or revisions from the University. The college keeps an eye on the results of the programs run. Most of the programs aim at producing skilled and employment-ready professionals. The college also conducts placement drives, job fairs, industrial visits, educational tours, exhibitions, competitions on different topics, internal exams, etc. to get specific outcomes of the programs. The curriculum of most of the programs includes courses that have been designed by the parent university to include knowledge and practice for the skill development of the students. In several courses, they have practical/Laboratory part also in the curriculum. They also undergo internships for a stipulated time period by the university</p>
6. Distance education/online education:	<p>Our parent university i.e. Maharshi Dayanand University, Rohtak does not offer distance education courses in the programs run by colleges. However, amid the Covid-19 pandemic, the college had embraced digital platforms for teaching, and holding classes, conferences, and meetings. While this shifting paradigm had presented various challenges such as lacking of face-to-face interaction, lack of resources, lack of knowledge for using ICT tools and techniques, now it has also eliminated the geographical barriers, enabling interaction between experts and students worldwide. This transition has prompted the adoption of hybrid education models even after the lockdown and our college faculties have also contributed their expertise in the subjects to the students by using the hybrid mode of education. The online education system has encouraged faculty and professionals to create video lectures on their expertise or contemporary topics of interest for the welfare of the students. Presently the college is</p>

planning to commence online evening classes to conduct more add-on/value-added/certificate courses to enhance the skill-oriented programs in the interest of students.

4. Quality Indicator Framework(QIF)

Criterion 1 - Curricular Aspects

1.1 Curricular Planning and Implementation

1.1.1

The Institution ensures effective curriculum planning and delivery through a well-planned and documented process including Academic calendar and conduct of continuous internal Assessment

Response:

- DAV Centenary College, Faridabad is **affiliated** with **Maharshi Dayanand University, Rohtak**. The college strictly follows the academic structures and syllabus set by the affiliated university, aiming to provide facilities for the holistic development of its students. Meetings are regularly conducted to discuss syllabus design and modifications at the university. One of **our faculty members** is a part of the **Board of Studies at MDU, Rohtak**, and other faculty members also contribute to reshaping the syllabus and curriculum at MDU, Rohtak, and neighboring universities.
- The **Academic Calendar** is developed according to university guidelines, reviewed, and approved by the Head of the Institution, then distributed to all faculty members and posted on the college website.
- The academic calendar includes the necessary information like the commencement of **classes, schedule of conducting sessional examinations, etc.**
- The college **timetable** is prepared in advance, with department timetables detailing faculty and subjects created and approved by the Heads of Departments (HODs), Deans, and the Principal before each semester begins.
- The college departments discuss their **proposed activities** for curriculum implementation in each academic year, and all the academic activities are discussed in the departmental meetings.
- **Lesson plans** prepared by the teachers for each subject based on the university curriculum to ensure effective teaching and learning delivery. These plans are displayed on notice boards and uploaded to the college portal for student convenience, containing information on syllabus, revision plans, assignments, class tests, etc.
- Moreover, for dynamic learning, departments plan various **Value-added Courses, Educational Tours, Field Trips & Surveys** to make the curriculum more effective.
- Every academic session starts with an **Induction/Orientation Programme** for newly admitted students by letting them for about various rules, regulations, and other information about the college.
- **Class Tests, Assignments, and Internal Examinations** are conducted to assess students' performance and streamline the internal assessment process. In each class, two tests and two assignments are given and thoroughly assessed by the respective teacher.
- Need-based **Tutorial** classes provided by the departments to both slow and advanced learners to improve and enhance the student's academic performance.
- **Parent-teacher meetings** are held at the departmental level regularly to involve parents & ensure collaborative efforts of both teachers & parents to improve the performance of students.
- The college offers **ICT facilities and training to teachers** for effective curriculum delivery to students, along with basic amenities. In addition to traditional classrooms, ICT-enabled

classrooms were utilized to deliver lectures, classes, and seminars during the COVID, and this practice is still in process.

2.3 Teaching- Learning Process

2.3.1

Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences and teachers use ICT- enabled tools including online resources for effective teaching and learning process

Response:

DAV Centenary College, Faridabad follows different student-centric methods such as experiential learning, participative learning, and problem-solving methodologies for effective activity-based teaching and learning.

Experiential learning involves faculty members creating an enriching learning atmosphere by actively engaging students in hands-on teaching-learning content in the following manner:

- **Project Reports** are part of the curriculum and the college provides **smart rooms and computer labs**. This **enhances the efficiency and productivity of students' project work**.
- **Industrial Visits, Field trips, internships, educational tours, and field surveys** are organized by selected departments according to syllabus requirements to **provide students with real-life exposure** and to **equip the students with the real working environment in industries**.
- **Annual Symposium Visits** are assigned to students to give counseling about the courses related to Higher Education in India/Abroad under one roof.
- **Science Exhibitions** are conducted to enhance creativity and a better understanding of scientific methods. Thus, sparking curiosity and promoting science literacy.

Participative Learning emphasizes students' active involvement and engagement in the learning process, encouraged by faculty through various approaches as follows:

- **Group Discussion** activities are organized to make students participative learners to develop their **in-depth learning, confidence building, critical thinking skills as well as communication skills**.
- Assigning **PowerPoint presentations** to students is a beneficial practice that can lead to better educational outcomes. It not only improves their IT abilities and encourages participatory learning but also enhances creativity and helps them develop self-confidence. These skills are essential for success in the modern world and can benefit students in their academic and professional endeavors.
- **Quizzes and other competitions** such as Poster making, Slogan writing, Debate/Declamation/Elocution, etc. are organized to motivate students so that students can show their **creativity & teamwork and update their knowledge**.
- **Participation in various activities organized by NCC, NSS, and YRC** helps the students to **create awareness and develop their involvement** in many social, cultural, and health awareness programs to inculcate the value of responsibility.
- **National/International Commemorative Days/Events/Festivals** are celebrated regularly and students' participations are encouraged to instill a sense of **patriotism and commitment to cultural and moral heritage**.

Problem-Solving approach is a method to improve the student's critical thinking and problem-solving skills through the following ways.

- **Extension lectures** related to resolve challenges faced by the students during their career building i.e. **Interviews, Resume Writing, Competitive Exams, etc.** are also conducted by various departments in collaboration with academic and industrial partners.

- **Student Exchange Programs** are arranged to provide new learning environments and real-life exposure.
- **Bridge courses and Value-Added Courses** are also run in the college for the student's growth in terms of personal and professional.

Use of ICT Tools for effective teaching & learning:

Integrating ICT tools in education improves teaching and learning quality by facilitating access to diverse resources, creating interactive environments, and fostering innovative pedagogical approaches in critical situations like during the COVID-19 pandemic and post pandemic. The college offers **Wi-Fi, an E-library, and software packages**. Teachers utilize platforms like **Google Meet and Zoom, alongside creating YouTube content, for hybrid teaching** during and after COVID-19.

2.5 Evaluation Process and Reforms

2.5.1

Mechanism of internal/ external assessment is transparent and the grievance redressal system is time- bound and efficient

Response:

DAV Centenary College, Faridabad is an **affiliated college** of **Maharshi Dayanand University** and therefore it follows the guidelines set by the University for the Conduct of examinations. At the end of each semester, there is a final examination which is uniformly conducted for students across all the affiliated colleges of Maharshi Dayanand University. The final exam for each paper has 80% weightage of the overall assessment and the remaining 20% constitute internal assessment marks.

Mechanism of Internal Assessment and Grievance Redressal System:

- The **internal assessment has 20% weightage** which forms a part of a continuous evaluation system conducted through internal tests, assignments, and attendance. All of these constitute an integral part of internal evaluation and assessment made by subject teachers as per the university guidelines.

- Students are **provided timely notifications** about **internal tests, assignment deadlines, attendance criteria, and other relevant information** through university circulars and departmental announcements via **notice boards and class WhatsApp groups**.
- If any **student is absent** on the **day of the internal test/assignment submission**, due to **genuine reasons like health issues, participating in NCC/NSS/YRC/Sports activities, job interviews**, etc. are given **another chance to appear** in the same.
- The **internal evaluation and assessment process** is done very carefully by the teachers and the Internal Marks are awarded. It is also checked by the **Head of the Department** for adherence.
- Finally, the internal evaluation, which is prepared by every department, is sent to Maharshi Dayanand University, Rohtak for **compilation of the final results**. Normally, it is sent through the university portal provided by the university for this purpose.

Mechanism of External Assessment and Grievance Redressal System:

- The **external assessment has 80% weightage** and **examinations** are conducted and evaluated by the university.
- The **date of the commencement of the examination** is uploaded on the **University and college website also**.
- A student is **required to attend minimum lectures** of theory and practical to become **eligible to appear in the examinations** as prescribed in the relevant ordinance as per university norms.
- The **setting of question papers and declaration of the results** are prepared at the university level and students can also access their **results from the university website**. Also, the **university shares these results with the respective colleges for their record**.
- The college has appointed the **Controller of Examination (COE)** whose **purpose is to plan and execute the process of examinations systematically and professionally**.
- If students have **grievances related to re-evaluation or rectification** despite the above-mentioned mechanism, they fill application form **duly signed by the COE and Head of the Institution and submit the same to the University for re-evaluation and rectification**. The university then proceeds to address these **grievances on time**.

2.6 Student Performance and Learning Outcomes

2.6.1

Programme Outcomes (POs) and Course Outcomes (COs) for all Programmes offered by the institution are stated and displayed on website

Response:

DAV Centenary College, Faridabad is affiliated with the Maharshi Dayanand University, Rohtak. The college presently offers **14 programmes including both Undergraduate and Postgraduate level.** The IQAC of the college along with the concerned departments prepare the program and course outcomes in alignment with the university-prescribed syllabus, the core values, and adopts the norms of the teaching-learning process and strategies for the progress of students and the institution.

- **At the beginning of the session, the teachers address the students about the programme and course outcomes of all courses.** The **Programme Outcomes and Course Outcomes** are readily accessible on the college website.
- **Hard copies of the syllabi** of all programmes are available on the **Maharshi Dayanand University website** and the college website too.
- The **course lesson plans are prepared in the departments** by the teachers handling each course. It is planned and designed to incorporate the topics and chapters of the syllabus in such a way as to give enough weightage to each of the specified learning and attainment of outcomes.
- The institution **conducts interactive sessions with the successful alumni** to share their experience and valuable knowledge with the students. The students are made aware of the scope and opportunities of the chosen degree programme. **Parents are also made aware of the same during the parent's meetings.** At the onset of each semester, the expected outcomes of each course are communicated to the students at the departmental and college level.
- The pattern of questions and marks for the internal and external exams are discussed and its association with the course outcomes. During the teaching-learning process, the faculties of the college consistently emphasize the targets and standards to be achieved by the students. The institution regularly **evaluates the attainment of programme and course outcomes.** For this, institution conducts **University exams, internal exams and feedback evaluation etc.** This enables teachers to accurately evaluate and assess the academic performance of the students.
- **The College and Departments organize events** in the form of **extension lectures, seminars, industrial visits, placement drives, student development programmes, etc.** at different levels contributing to the achievement of the **programme and programme-specific outcomes** which aim to produce graduates to be equipped beyond the academic curriculum.

2.6.2

Attainment of POs and COs are evaluated.

Explain with evidence in a maximum of 500 words

Response:

D.A.V. Centenary College follows a **structured process** for gathering and assessing data on **program outcomes and course outcomes** to **enhance the learning environment** for students. The College

operates by the external and internal assessment schemes specified by the affiliating university, adhering to their norms. The external assessment has 80% weightage and examinations are conducted and evaluated by the university. The teachers collaborate to finalize and upload the detailed internal assessment of 20% weightage on the university portal for inclusion in students' results.

Methods of evaluating the level of attainment of POs and COs in the institution are as follows:

- **Internal Assessments** are aligned with the program and course outcome and their evaluation is based on internal tests, assignments, and the performance of the students in their classes evaluated by the concerned subject teacher.
- **External Assessments** are evaluated by exams conducted by the university at the end of each semester and external experts appointed by the university for the practical examinations through viva voce and practical files.
- The **Parent University** conducts exams as per the semester pattern. The college measures program outcomes by **assessing the overall pass percentage** of the students and the **merit positions** they hold at the university level.
- **Internships/Educational Tours/Field Trips and Field Surveys** are organized to attain practical knowledge and experience in their respective discipline. The performance of students in these fields are evaluated by the faculty and by the collaborative agencies.
- **Placement Cell** organizes the **placement drive and selection of students** in the placement drive is done by the companies. Placement Cell prepares the students for the better placement of students in the reputed companies and organizes training programs in collaboration with external experts and organizations. It also maintains the records of placements of the students in various government and non-govt. sectors that reflect the success and realization of course and program outcomes.
- **Each year for the Progression to higher education**, the students of UG and PG courses, are evaluated by the other educational bodies/institutions, and the college also provides **letters of recommendation** for getting admission both abroad and within the country.
- Program outcomes are also assessed based on students qualifying for various entrance exams and **competitive exams like NET/JRF, SLET, CAT, JAM**, etc.
- The **awards won** by college students in different disciplines or winning prizes in different inter-college competitions, state level/national level/international level is another parameter to measure the attainment of program outcomes and course outcomes
- The college maintains an **Alumni Association** which reflects that our alumni who are well-settled in different sectors, are connected with the college and they also contribute in college activities. Many of them come back to give extension lectures and impart their wisdom and experiences to the present students. We think that this is an indicator of the accomplishment of the objectives we work towards every day, year after year.

Criterion 6 - Governance, Leadership and Management

6.1 Institutional Vision and Leadership

6.1.1

The institutional governance and leadership are in accordance with the vision and mission of the Institution and it is visible in various institutional practices such as NEP implementation, sustained institutional growth, decentralization, participation in the institutional governance and in their short term and long term Institutional Perspective Plan.

Response:

Vision: D.A.V. Centenary College, Faridabad, prioritizes holistic development for both students and staff, aiming to deliver quality education essential for the nation's progress.

To achieve the above Vision, the following is practiced, as a mission:

- To provide quality higher education to a wide spectrum of society producing knowledgeable, skilled, ethically, and spiritually sound citizens.
- To teach Need-based Courses at both UG and PG levels.
- To promote the functioning of the institution through the policies and plans initiated and approved by the concerned Cells/Committees.

Key Practices for NEP Implementation

The College, led by the NEP Implementation Committee follows the guidelines of our parent university for all academic affairs. The college is in the process of implementing the NEP 2020 through the following key practices:

- Organized **National level seminars** on NEP 2020.
- Encouraged the teaching staff to participate in **short-term professional development programs**.
- To promote **Multidisciplinary/Interdisciplinary learning** among the students, **Add-on Courses** are introduced.
- **Nominated faculty member acts as the SPOC (Single point of contact) for the online courses SWAYAM/ MOOCs to facilitate online education for the students as well as the faculty.**
- **Encouraged students to participate in online courses** through online learning platforms like Coursera, SWAYAM/NPTEL, UDEMY, **Malviya Mission Training Programme, etc.**
- **Created ABC (Academic Bank of Credit) ID** of the first-year students in the session 2023-24 as per university directions.

Key Practices for Sustained Institutional Growth

The institution is under the Directorate Higher Education, Haryana and DAV College Managing Committee, New Delhi and abides by the rules and regulations of the Maharshi Dayanand University, Rohtak in all academic affairs.

The institution ensures effective leadership through well-organized structures and systems and strives to promote a culture of mutual respect while adhering to a democratic system of governance.

- To **enhance Teaching-Learning and Research**, the institute has adopted **industry collaboration in the form of MoUs**.
- **Established Institutions' Innovation Council (IIC)** to promote **skill development programs and start-up skills** in collaboration with its **Entrepreneurship Development Cell (EDP)**.
- To **promote quality research**, the college has **established a Research Committee** thus facilitating the students and faculty with a **research room**.

Decentralization and participative management

The institute's management effectively leads the faculty by setting goals and involving them in decision-making, aiming to achieve the institute's vision, mission, and goals while fostering an organizational culture. The principal encourages Heads of Departments (HODs) and staff members to participate freely in academic and administrative activities.

Addressing the Perspective Plan

The institutional perspective plan is effectively deployed through various **facets of development mentioned in its Institutional development plan (2022-2025)**.

6.2 Strategy Development and Deployment

6.2.1

The institutional perspective plan is effectively deployed and functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment, service rules, and procedures, etc

Response:

DAV Centenary College Faridabad believes in creating a perspective plan effectively for excellence in academics and the holistic development of individuals. To achieve this goal, we are striving hard towards different aspects of the college functioning.

Policies:

- The college adheres to the **academic, administrative, and financial guidelines** and the **Code of**

Professional Ethics periodically released by **Maharshi Dayanand University, Rohtak, and the UGC**. Both the **Principal** and the **DAV Managing Committee, New Delhi**, oversee this administration.

- There is an **internal quality policy with learner-centric quality education, imparting life skills and generating the right kind of social consciousness with the contribution of its stakeholders.**
- The college creates and adheres to its policies related to **E-Governance, Disabled free Environment Policy, Financial Support, Scholarship & Free-ship, and Policy on Environment & Energy Usage.**

Administrative Setup:

- The **decentralization of the college administration** has been demonstrated through an **organogram.**
- The **Principal and the IQAC Coordinator** distribute the related task to the **administration and academic departments, library, and accounts office.**
- The **Principal and the IQAC Coordinator** administer the task by directing, enhancing, and simplifying quality academic programs through **internal and external administrative** as well as **academic audits**, that institutionalizes **best practices.**

Appointment and service rules, and procedures:

- Due to its **affiliation with Maharshi Dayanand University, Rohtak**, the institution abides by all the norms regarding **appointments, service rules, and processes** set forth by the **parent university and the DAV Managing Committee, New Delhi.**
- The college ensures **proper documentation of service records** of its employees.

Deployment of institutional Strategic/ Perspective/ Development plan:

- The **Institutional Development Plan** of the college is aligned with the NEP-2020 and has been implemented to **promote skill development** through collaboration with the organizations.
- The college has a **Research Room and an established Institution's Innovation Council** to provide an **ecosystem for research and innovations.**
- The college has a **multidisciplinary annual peer-reviewed research journal, Perianth** (ISSN: 2349-9877).
- **ICSSR, DHE, and UGC sponsored grants** to organize conferences/seminars/workshops.
- There are **numerous publications** of teachers in **UGC-Care Listed journals, edited books, and conference proceedings.**
- The IQAC has set up a **student-centric teaching-learning approach** by organizing **hands-on sessions, participative methods, and problem-solving approaches** for students and teachers to make **teaching-learning more effective.**
- The college has an **Entrepreneurship Development Cell (EDP)** to **promote start-up culture and organize numerous student development programs and faculty development programs.**

6.3 Faculty Empowerment Strategies

6.3.1

The institution has performance appraisal system, effective welfare measures for teaching and non-teaching staff and avenues for career development/progression

Response:

The management of the college believes in maintaining a healthy and accommodating atmosphere which is essential in empowering employees to carry out their responsibilities in a way that advances shared goals. Harmonious coordination between the management and the employee is the outcome of a good work environment. The management introduces many welfare programs for both the teaching and non-

teaching staff members.

Performance Appraisal System: The institution implements a robust Performance Appraisal System (PAS) for both the teaching and the non-teaching staff:

- **Staff under Grant-In-Aid Scheme:** The staff covered under the government scheme follow the appraisal system stipulated by the Department of Higher Education (DHE), with periodic issuance of Annual Confidential Reports (ACRs).
- **Staff under DAV College Managing Committee (DAVCMC):** The Teaching and non-teaching staff employed by DAV College Managing Committee, adheres to the criteria set by the parent organization, ensuring alignment with organizational goals and standards.
- **Staff under Self-Finance Scheme:** Performance appraisal for contractual staff involves a multifaceted approach. The Heads of the departments review Performance Appraisal (PA) forms, incorporating feedback from students, academic results, and contribution in various fields.

Welfare Schemes for Teaching & Non-Teaching Staff:

- **Medical facility and Health Check-up Camps:** The institution places a strong emphasis on the well-being of its teaching and non-teaching staff, and the students by organizing healthcare awareness programs and regular check-up camps. The institution has a medical center with basic facilities.
- **Employee Welfare and Entertainment Trips:** Recognizing the importance of work-life balance, the institution arranges various employee welfare programs, including entertainment trips. These excursions provide a recreational break for teaching staff, fostering a positive and rejuvenated work environment.
- **Recognition and Rewards:** Staff members are duly recognized and rewarded for their exceptional achievements and contribution in various fields.
- **Professional Development:** Provides leave against refresher courses, Ph.D. pursuits and attendance in conferences and seminars, etc.
- **Personalized Gestures:** The institution demonstrates personal care by celebrating special days and special greetings extended by the principal. Monthly Havan Yajnas are performed on such occasions.
- **Financial Support through Reimbursement and Incentives:** There is a provision for the staff to draw advance against salaries and avail loan facilities against PF, catering to their financial needs in times of requirement. Also, the staff is reimbursed the participation fees provided for conferences and seminars.
- **Retirement Support:** A well-organized send-off is arranged for the retiring staff members, recognizing their dedicated service to the institution.
- **Festival Celebrations:** Gifts are distributed to both the teaching and the non-teaching staff on significant festivals, fostering a cultural environment.
- **Sports and Cultural Programs:** Participation in sports and cultural activities is encouraged as part of the welfare initiatives, promoting a holistic and balanced lifestyle among teaching staff.
- **Free Uniforms for Class IV Staff:** Free uniforms are distributed to the Class IV staff members, addressing their professional needs.

6.4 Financial Management and Resource Mobilization

6.4.1

Institution has strategies for mobilization and optimal utilization of resources and funds from various sources (government/ nongovernment organizations) and it conducts financial audits regularly (internal and external)

Response:

DAV Centenary College, affiliated with the Maharshi Dayanand University, Rohtak receives primary funding from the Government of Haryana through DHE grant-in-aid, supplemented by contributions from the DAV Trust. Its annual maintenance grant covers salaries, pensions, retirement benefits, and other non-salary expenses. Budget estimates are submitted to the sanctioning authority after

approval by the governing body, with **financial transactions approved by the Principal, Bursar, and A.O. (accounts)**. Funds are verified and utilized through committees such as the purchase, building, and finance committees, ensuring prudent planning, allocation, and utilization of resources.

Methods to mobilize resources and funds:

1. Total fees collected from students
2. Various grants received from ICSSR, DHE, UGC, RUSA, etc.
3. Seminar and research project funds received from agencies
4. DAVCC's Alumni Association
5. Remuneration from Govt. Agency Exams
6. Self-finance and add-on courses

Strategies to mobilize resources and funds:

The college maintains financial records at two locations: the Grant-in-Aid (GIA) Account Office and the Self-Finance Scheme (SFS) Account Office. These offices handle records related to staff salaries, grants, scholarships, and revenue/expenditures for different courses. Auditors chosen by the DAV College Managing Committee and the government regularly audit these accounts, covering revenue, expenditure, and stock registers. Any discrepancies are rectified promptly, with records maintained annually.

Financial Audit:

In the internal financial audit, the college follows the following procedure: As per the requirement, each department prepares a proposed budget for their expenditures and makes a sanction letter of the same which is sent to the principal for further recommendation. After making all these expenditures, a statement indicating all the heads of expenditures along with the bills are prepared which are marked by the principal and sent to the concerned accounts office. Before sending the bills to the account office, these are sent to the PA to the Principal for diary entry. In the Account office, the bills are checked and verified by the Head Clerk and signed by the Bursar. Finally, the bills are submitted after duly signed by the principal.

The Department of Higher Education (DHE) and Chartered Accountant (CA) exam conduct regular external audits to ensure accountability, transparency, and compliance with established standards and regulations. These audits help identify any discrepancies, errors, or irregularities in financial records, academic practices, and administrative procedures, thereby promoting integrity and trust within the educational institution and the broader community.

6.5 Internal Quality Assurance System

6.5.1

Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities

Response:

The **Internal Quality Assurance Cell (IQAC)**, established on **16/02/2005**, is an integral part of the college that works towards monitoring and ensuring quality enhancement in various aspects of academic and administrative functioning. The **IQAC works** in alignment with the criteria set by the **National Assessment and Accreditation Council (NAAC)** through conducting quarterly meetings every year.

Role of IQAC:

The primary role of the IQAC is to develop a system for conscious, consistent, and catalytic improvement in the overall performance of the institution. This involves planning, implementing, and monitoring quality assurance process, including curriculum development, teaching-learning practices, research, infrastructure, student-support services, and governance.

Activities Undertaken:

- 1. Quality Assessment:** IQAC promotes and assesses the institution's performance through internal quality audits in various domains like academics, cultural, sports, spirituality and other social activities etc. to evaluate the effectiveness of the existing processes.
- 2. Professional Development Programs:** Organizing workshops, seminars, and training sessions to enhance the professional skills of teaching and non-teaching staff.
- 3. Feedback Mechanism:** Facilitating interactions with stakeholders including students, teachers, alumni, industry experts, and community members to gain insights on teaching methodologies, infrastructure, and support services and implementing mechanisms to collect feedback from them through Open or Closed Questionnaire, Online Google forms, Alumni meet,s etc.
- 4. Developing and Utilizing Industry & Academic Linkages:** Collaborating with the industries to update and align the curriculum to meet industry requirements and emerging trends through conducting different Training/seminar sessions.
- 5. Promoting the Area of Research:** Encouraging the faculty and the students to engage in research activities through conducting seminars, conferences, publishing edited books and journals, magazines, providing financial supports, and other research-oriented resources.
- 6. Facilitating Infrastructural Needs:** Assessing and facilitating the infrastructure needs such as smart classrooms, a well-equipped auditorium, a shooting range, a yoga centre, a gymnasium, etc. along with monitoring maintenance and recommending necessary upgrades or expansions.

7. Documentation and Reporting: Maintaining comprehensive documentation of IQAC activities and preparing periodic reports for internal and external reviews such as Annual Quality Assurance Report, Action Taken Reports, etc.

Outcomes:

The IQAC plays a pivotal role in promoting a culture of quality assurance and continuous improvement. Through its proactive initiatives and collaborative efforts, the institution has achieved significant milestones in academic excellence, faculty empowerment resulting in improved teaching methodologies and research productivity, student satisfaction, and infrastructure upgradation for teaching, research, and student-support services.

Thus, the IQAC remains committed to upholding these standards and fostering a conducive environment for holistic development and innovation.

Criterion 7 - Institutional Values and Best Practices

7.1 Institutional Values and Social Responsibilities

7.1.1

Institution has initiated the Gender Audit and measures for the promotion of gender equity during the last five years.

Describe the gender equity & sensitization in curricular and co-curricular activities, facilities for women on campus etc., within 500 words

Response:

DAV Centenary College, Faridabad, founded in 1985, stands as a **co-educational institution** with a rich history. Noteworthy is the **current demographic composition**, where female students make up, on average, 28% of total admissions. The institution boasts a commendable 78% representation of female teaching staff and a significant 41% of female non-teaching staff. The college demonstrates a commitment to foster an inclusive and equitable educational environment.

Cells/Committees

The institution has various cells and committees to measure and monitor gender-related issues and sensitize the students to gender equity such as:

- Women Cell
- Anti-sexual Harassment Cell
- Internal Complaint Committee
- Discipline cum Anti-Ragging Cell
- Grievance Redressal Cell
- Student Welfare committee
- NCC, NSS and YRC Girls' Unit

Achievements

The College works for the benefit of female students by providing opportunities and motivating them to actively participate in the following activities-

- 46% of girls are enrolled in higher studies.
- 40% of placements are grabbed by girls.
- 12% of girls are participating in various sports activities.
- 24% of girls are participating in all co-curricular and extra-curricular activities including extra-mural activities organized by the university at the Zonal, District, and National levels.

Initiatives taken by the college/department to measure the promotion of gender equity

As a co-educational institution, we prioritize gender equality, ensuring that female students have equal opportunities in all courses. Our commitment to non-discrimination begins from admission and extends

throughout the college experience. To promote gender sensitivity, gender equity, and women empowerment, we actively organize various activities through the Women Cell and different departments. The list of initiatives is as follows:

- **Extension lectures** on Gender Equity, Gender sensitization, sexual harassment
- Awareness Rally on **Beti Bachao, Beti Padhao**
- **Nukkad Natak** on Gender Equity
- **Skit Play** on Women's Harassment
- Various **competitions** on gender equity such as essay writing, poster making, slogan writing, etc.

7.1.4

Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and Sensitization of students and employees to the constitutional obligations: values, rights, duties and responsibilities of citizens (Within 500 words)

Response:

D.A.V Centenary College, rooted in Arya Samaj principles, is dedicated to foster inclusivity for all. Our commitment to embrace diversity attracts students from diverse backgrounds, reflecting our adherence to the values of vedic culture and heritage.

Tolerance and harmony toward various cultures

- Students are motivated to participate in Cultural competitions to capture cultural diversity
- **Spiritual programs** and events are organized such as **Hawan Yajna, Bhajan, and Kirtan.**
- The college encourages faculty and students to celebrate various regional festivals.
- Regular yoga sessions are organized to ensure a healthy body along with a healthy mind and spirit for everyone.

Cultural and Linguistic diversity

- The **admission policy** reiterates the need to create an inclusive student community.
- The **faculty comprises** individuals from a variety of **cultural backgrounds.**
- The **students** are admitted from **different states, religions, and castes.**
- **Multi-lingual languages** are promoted such as English, Hindi, Sanskrit, Japanese, French, etc., and value-added courses are offered related to foreign languages.
- Our students have also been trained for participation in **various cultural programs** associated with regional cultures including different languages such as Punjabi, Urdu, Haryanvi, dance and

skits, and classical performances e.g. Kathak.

Communal & Socio-economic Diversity

- **Extension lectures** are organized on communal harmony.
- **Awareness Camps** related to cleanliness, gender, literacy, health, and hygiene are organized to promote community engagement.
- Various events such as **Rallies, Nukkad Natak, Expert talks, poster-making, Slogan writing, and essay-writing** are organized to interact with the society despite of existing diversity.
- During the pandemic, **financially disadvantaged students received support** in the form of aid **including books, fee concessions, and scholarships.**

Social Obligations

- We have been very active in our commitment to community outreach. Our college has **provided space for the education of very poor and marginalized sections under the banner of ‘Roshni educational society’** which continuously provided free elementary and primary education to such deprived children from the slum areas in the vicinity. Our NCC/NSS/YRC units along with departments have been always at the forefront of providing donations in the form of books, stationery, fruits, and other food articles to needy people.
- Our college has organized routine **blood donation camps against thalassemia, organ donation camps, COVID-19 vaccination camps, Pulse-Polio Drive**, etc. to motivate our students towards these social responsibilities.
- Anti-tobacco campaigns and no-vehicle days have been organized to inculcate responsibility towards society.
- Our college has organized health checkup camps such as Sugar tests, Blood tests, Dental & Eye check-ups, thalassemia tests, COVID tests, etc.

Constitutional obligations

- Every year organized and celebrated our national occasions falling on the 15th of August, 26th of January, and 2nd of October.
- Celebrates Constitutional Day and oath ceremony.
- Apart from this, we mark the birth of Swami Vivekanand, Sardar Vallabhbhai Patel, Pt. Jawaharlal Nehru, Sir Chhotu Ram and spread constitutional awareness among all.
- Voter awareness initiatives include EVM training, Voter Day celebration, Voter-Id registration camp, etc.
- College organized workshops related to legal awareness, Extension Lectures on Human Rights & Responsibilities, and celebrated Consumer Rights Day. The staff and students participated in such activities.

7.2 Best Practices

7.2.1

Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual

Response:

Best Practice 1

Title of the Practice

“Introduction of Need-based Courses”

· **Goal**

The college monitors industry needs and societal preferences closely. Based on this, it introduces new courses offered by the affiliating University, MDU, Rohtak, to cater to industry demands and provide students and parents with a wide range of course options.

· **The Context**

In the context of meeting society's diverse needs, trends, and demands and maintaining the best possible standards, the college has been selecting and introducing new courses from time to time. It follows the curriculum specified by MDU, Rohtak, as well as keeps suggesting to the university the much-needed changes in the curriculum. Through this vision and wisdom, the college has remained at the forefront and has built a preferred brand image for itself.

· **The Practice**

The courses offered by the college include traditional as well as professional classes at U.G and P.G level. The college has also introduced a new vocational UG program B.Voc Retail Management to make students job-oriented and skill-oriented. Also, numerous Add-on/Value Added Certificate Programs were introduced during the last five years (2018-2023) to build up employability through skill-based quality education. A complete list of such courses is given below.

1. Vocational Course:

• **B.Voc Retail Management**

The college introduces a new vocational course i.e. B.Voc (Retail management) in the session 2021-22 with 60 sanction seats.

1.27 Add-on/Value Added Certificate Programs during the last five years (2018-2023)

2.Swayam NPTEL Courses: 204 Courses in 2021-22 and 2022-23

- **Evidence of Success**

1. **Vocational Course**

1. *Enrolment Growth of Students in the B.VOC (Retail Management) Course*

Program	2021-22	2022-23
B.Voc(Retail Management)	47	58

Growth in Academic Achievements in terms of Merit Positions in University Exams in the B.VOC (Retail Management) Course

Years	Merit Positions
2021-22	13
2022-23	21

Internship by the B.VOC (Retail Management) Course

Years	Total no. of students done internship
2021-22	40
2022-23	84

MoU signed by the college for the department's growth (B.VOC Retail Management Course)

The college has signed a Memorandum of Understanding (MoU) with Shri Vishwakarma Skill University for the training and assessment of our students at NSQF levels 4, 5, 6, and 7.

1. **1769 students are enrolled in 27 Add on/Value Added Courses Certificate Programs during the last five years (2018-2023)**
2. **SWAYAM NPTEL COURSES:**

Year	Name of Course	No. of Students Enrolled
2022-2023	NPTEL	302
2021-2022	NPTEL	178
Total no. of Students Enrolled		480

- **Problem Encountered:**

1. One constraint is that the college is under obligation to follow the curriculum approved by the affiliating university without there being any element of discretion.
2. The college, to meet the institutional social responsibility, has to keep the fee charged for self-finance courses under check. Consequently, it has to check the expenses as well.
3. The operations in most of the areas have suffered a lot due to the prevailing pandemic conditions and restrictions but now we are coming out of the situation.

- **Resources Required**

1. Additional building with more rooms and labs required for introducing new skill-oriented courses
2. More funding from the UGC
3. Reasonable hike in fee in concurrence with the university as per the need of the hour.

Best Practice 2

Title of the Practice

“Propagating Spiritual and Ethical Values”

Goal

The college has always endeavoured to uphold the social and spiritual welfare of the students, the staff, and the society and therefore, shoulder this responsibility. The goal is to organize such activities to help people systematically propagate spiritual knowledge, educate all people in the techniques of spiritual life, and help check the imbalances of values in the lives of people.

The Context

The college, in collaboration with ISKCON, Faridabad, and other organizations, hosts spiritual seminars, Hawan Yajna, Kirtans, and lectures throughout the year. These events, attended by students, staff, and online participants, promote peace, harmony, and spiritual tranquility. Renowned speakers engage in spiritual discourse sessions, enriching participants' spiritual experiences.

The Practice

In this context, the college, on its campus, organizes various spiritual sessions. Several acclaimed speakers from different organizations engage with the college where the devotee participants join and avail themselves of the higher level of spiritual discourse experiences.

Evidence of Success:

The college and its esteemed faculty members are awarded & recognized by the several organizations for their contribution and commitment to propagating spiritual and ethical values in the society. Through appreciation letters and certificates received, we stand validated in our dedication to fostering a community deeply rooted in principles of morality, compassion, and integrity.

Many Activities were organized during the last five years to inculcate spiritual & ethical values in the students.

- Over the past few years, the college has been actively engaged in fostering moral development through a range of spiritual, educational, and community-oriented activities. From regular Hawan Yajnas for moral evolution to seminars on social issues like street harassment, the college has demonstrated a commitment to societal welfare. Collaborations with organizations like Commissioner Divyangjan Ayog and initiatives like blood donation camps reflect a strong sense of social responsibility. Additionally, events like the "Run for Unity" and seminars on spiritual and emotional learning underline a comprehensive approach to education. These efforts aim to imbue students with ethical values while promoting social awareness and engagement.
- **Problems Encountered and Resources Required**

Problems Encountered: In today's increasingly technical and materialistic world, students often feel disconnected from traditional spiritual and ethical teachings inherited from religious or cultural

traditions.

Resources Required: So far college has been able to conduct the activity with its own resources

5. CONCLUSION

Additional Information :

In addition, DAV Centenary College also takes initiatives in the following fields:

- **Health & Hygiene:** The college plays a major role to promote health and hygiene awareness within the wider community by organizing health camps, workshops, and outreach programs. On many occasions the students have been involved in implementing the Pulse-Polio Programme, and International Deworming Day awareness program in such clusters, collaborating with district administrations or BK /ESI Hospital.
- **Contribution to slum areas:** The college is deeply dedicated to give the contribution to society's betterment, by focusing on nearby slum areas. One such community, Rahul Colony, located close to the college, has been a focal point for our NSS volunteers and staff members, who regularly organize awareness programs and visit the area to make a positive impact.
- **Contribution to NGO:** For many years, DAV Centenary College has been actively supporting 'Roshni Educational Society', by providing dedicated space and resources in the college campus. Through collaborative efforts, both the college and its faculty extend support to underprivileged children by offering stationery, distributing food, and providing clothing.
- **Adoption of the village:** The college adopted Pawta Village in 2019 and organized various outreach programs such as an awareness drive about health & hygiene, teaching services, Nukkad Natak, etc.
- **Supportive Initiatives during the COVID-19 Pandemic:** During the COVID period college initiatives involved providing services to the community for taking precautions, and organized camps for helping them to get vaccinations.
- **College achieves Ranking:** Over the last five years, departments received ranks in the various surveys conducted by Times of India (TOI), and India Today. In 2022-2023, the BBA Department got 64th rank out of 201 colleges in the category of 'Best College of India' as per the India Today Survey in the last year. Other departments also got ranked in the top 100 colleges in India.
- **Mentor-Mentee Programme:** Every class is assigned mentors for personalized guidance. Also, special attention is given to slow learners, while meritorious students receive tailored support to achieve outstanding results.
- **Faculty Support for Student Growth:** The college faculty provides emotional support from time to time to students to facilitate personal growth and self-discovery by encouraging students to explore their thoughts, feelings, and identities

Concluding Remarks :

- DAV Centenary College, Faridabad has been **acknowledged for its academic excellence in a survey published in the special edition of June 4, 2018, titled "The Best Colleges of India."** The college offers 11 undergraduate and 3 postgraduate programs across various disciplines such as Humanities & Social Sciences, Sciences, Commerce & Management, Computer Science Applications, Travel & Tourism, and Mass Communication & Journalism. Currently, the college enrolls a total of 4132 students, including both undergraduate and postgraduate levels. The college faculty, comprising well-qualified NET/Ph.D. teachers, actively engage in research endeavors, contributing to the academic vibrancy of the institution.
- The college believes in to provide enrich experiences beyond academics. Students participate in

internships, projects, educational tours, and industrial visits to foster creativity and innovation. The college also houses an Entrepreneurship Development Cell and Innovation Cell to encourage a start-up orientation among students. Furthermore, webinars, workshops, seminars, and add-on programs complement the academic curriculum, ensuring a multidisciplinary approach to learning.

- The college facilitates teacher and student exchange programs, bridge courses, and value-added courses to enrich the learning experience. Multi-language courses and competitions promote a multidisciplinary approach, ensuring students receive a well-rounded education that prepares them for diverse professional and personal endeavors.
- The college prioritizes the physical and mental well-being of its individuals. Extensive sports facilities, including a large ground and specialized equipment, promote physical fitness, while yoga, meditation, and gymnasium facilities cater to holistic health. Workshops on mental fitness are organized for both students and staff, fostering a supportive environment conducive to overall wellness.
